MINISTER'S MESSAGE

Dear Friends

The way God designed our bodies is a model for understanding our lives together as a church: every part dependent on every other part, the parts we mention and the parts we don't, the parts we see and the parts we don't. If one part hurts, every other part is involved in the hurt, and in the healing. If one part flourishes, every other part enters into the exuberance. (1 Corinthians 12:25-26 The Message)

Who are we? We might find it easy to say who we are as individuals or as part of our family, but it

isn't necessarily easy to describe who we are as the Uniting Church Maryborough Parish. How do we discern such a thing? Over the past several weeks since Pentecost we have been exploring some of our history and traditions that have formed us as part of the body of Christ. We have had church services about St Columba, St Andrew, Uniting Church 47th anniversary and will continue this theme with Wesley (John and Charles) and St Stephen. Sprinkled in with this is Girls' 60th UnitingWorld Sunday, Brigade anniversary, and in August BlueCare Sunday, the Thanksgiving and Renewal Hymn service and Breakfast Ministry Sunday. These are all part of who we are today.

Perhaps Connect100+ is a part of the church that we haven't mentioned enough. I have enjoyed visiting UnitingCare Family and Disability Support (family counselling), Lifeline Crisis Support staff, BlueCare staff and helping at BlueCare's Memory Support Café. It is also lifegiving to join with all the areas of UnitingCare (and yes BlueCare and Lifeline are part of this organisation) and HeadSpace (run by the Uniting Church agency, Wesley Mission Qld) being in the public arena at Lifeline Bookfest, the Fraser Coast Regional Show and Mary Poppins Festival. UnitingCare is also part of our church, working in our local communities through their Vision: 'Life in all its fullness' [John 10:10] – for people from all walks of life and its Mission: As part of the Uniting Church, the mission of UnitingCare is to improve the health and wellbeing of individuals, families and communities as we: Reach out to people in need; Speak out for fairness and justice; Care with compassion, innovation and wisdom.

Perhaps it will be by looking at this overall picture of how our local community may view the Uniting Church presence that we will discern a mission and vision for Uniting Church Maryborough Parish that will take us into the future as a community of hope. It can be easy to become despondent about the future, if we continue to look to the past and what once was. Is that what God wants us to do? I wonder what Jesus would challenge us to do? We are a people on the way and Jesus is beckoning us on. Let us trust in the lead of the Holy Spirit to discern where that might be. I encourage you to carpool to the Brolga Theatre on Sunday 21 July for the 6:00pm Combined Churches of Maryborough Celebration church service. Now you may or may not appreciate the music but you will get to hear from Andy Gourley, the CEO of Red Frogs (they support school leavers during schoolies week). I challenge you to feel the Holy Spirit working in Maryborough as you worship with 400+ people. God is good and is working in our midst. Let us keep our eyes and our hearts open to receive the Holy Spirit as we look towards the future.

NOTICE: RE Church Keys

To avoid unnecessary cost, church keys are only to be held by, or issued to, persons occupying leadership positions* that require regular access. When a person leaves a position, they are required to return any keys issued to them.

If you no longer have a leadership position that requires a key, please return that key to the Church Office as soon as possible.

Any person who requires a key and is not in a leadership position can submit a letter to Leaders Council.

*e.g. ~verger ~kitchen convenor ~persons who do the banking ~grounds & maintenance convenor ~cleaning convenor

Blessings Rev Delma Lovell

Our Church is a drop off point for your cans and plastic bottles as we are already registered to receive 10c an item.

BlueCare® BlueCare Grief, loss and Dementia Program

The unique experience of caring for someone who has dementia, is that feelings of grief and loss may be experienced while the person is still with you. This grief, however, can change over time.

This is referred to as ambiguous loss. Carers also experience something called disenfranchised grief, a grief experience that is not recognised, or underrecognised by self or others.

Aim of BlueCare Grief, Loss, Dementia Program:

- To provide carers with an understanding of dementia, and the grief and loss relating to dementia.
- Validate feelings within that process, and promote self-care and resilience strategies.
- Suitable for family members/primary carers/support person of a person living with dementia.

The Group

The Group meets regularly, with trained facilitators, to provide emotional, social and practical support for group members. This is a structured program of 2.5 hours per week over five weeks. Participants really benefit from sharing their experiences in the safety of a small group.
